Dear Ray,

25X1A Sorry to have missed seeing you before you left for [REDACTED] As it was I came back early from leave but too late to catch your departure.

Your friends have been keeping me advised. It sounds like a good move to get out of this area and be close to your family.

All of us here have you in our thoughts and we wish you and Mrs. [REDACTED] the best. Keep in touch.

STATINTL

Sincerely,
